Fairwood Park

Stage 4

Select few remaining prime homesites

Heritage Rise Estate is set around the original Fairwood Park Cottage which remains in the estate and reminds us of the pioneer days and the earlier settlers of the Officer area.

Fairwood Park Cottage is a significant historical property and is to be authentically restored and maintained and will hold pride of place at Heritage Rise.

With a magnificent stand of original trees, along with further selective planting, the Cottage will retain its aspect from Princes Highway and its character will be visually enjoyed from within the estate.

Heritage Rise Estate Officer is a boutique land development on the north side of the Princes Hwy, perfectly located near everything that you and your family will need to thrive in this community.

Heritage Rise is a great place to call home, located close to all existing and proposed facilities that Officer has to offer.

* Plan for illustration purposes only, please refer to Heritage Rise Contract and included Plan of Subdivision for details.
