ESTATE

Stage 5

Now Selling

on the north side of the Princes Hwy, perfectly located near everything that you and your family will need to thrive in this community.

Heritage Rise Estate is set around the original Fairwood Park Cottage which remains in the estate and reminds us of the pioneer days and the earlier settlers of the Officer area. Fairwood Park Cottage is a significant historical property and is to be authentically restored and maintained and will hold pride of place at Heritage Rise.

With a magnificent stand of original trees, along with further selective planting, the Cottage will retain its aspect from Princes Highway and its character will be visually enjoyed from within the estate.

Heritage Rise itself, enjoys a gradual rise in elevation across the Estate providing the potential for open outlooks from building blocks, and along with its orientation, there is the opportunity to maximise on sunny aspects making your dream home a reality.

Heritage Rise is a great place to call home, located close to all existing and proposed facilities that Officer has to offer.
